ans? 15. A. 85

Calle de Lista
Barrio de Salamanca
Madrid April 6th 85

My dear Mr Sherman

I am sorry to trouble you again so soon; but my purse as usual, is empty, and my landlord is pressing, so that circumstances oblige me to act against my inclinations

Among the list of "publications for the week" I see advertised some letters of my brother John, and of Charles Lamb. Do you know if & where they belong?

With love to your wife,
Believe me to remain
Yours very sincerely
E Hearts de Leon

H Burstein Sherman Esqre
